

Applicants,

The Board Certification exams for Clinical Neurosurgery, Clinical Orthopaedic Surgery, Spinal Surgery and Clinical Neurology from the American Federation of Medical Accreditation are taken online. The above examinations can be taken in the convenience of your own home, office or wherever Internet access is available. The exams can also be scheduled to fit your busy practice-even on weekends or holidays.

To be eligible, you must have successfully completed the following education and training or its equivalent and supply supporting documentation:

1. Medical School
2. Internship
3. 1 yr. General Surgery residency
4. Residency program in specialty of the certification for which you are applying
 - a. For Neurosurgery, Orthopaedic Surgery and Spinal Surgery four years of residency is required.
 - b. For Neurology, a 3-yr. residency is required.
5. A minimum of 25 case reports must be submitted where applicant is primary provider. Additional case reports may be required if training is not in the USA. May be used for oral exam.

To take the examinations online, the following **minimum** system specifications are recommended:

- 1) High speed cable or DSL Internet Connection
- 2) Windows XP Operating System (Mac OS X also acceptable)
- 3) Either Internet Explorer 8, Firefox or Google Chrome Browser

Currently, we have board certified physicians in the following countries: Australia, Japan, Germany, India, Philippines, Italy, South American, North American countries and other parts of the world. To find out more, call us at (312) 787-1608.

Sincerely,

William Mathews, M.D., F.I.C.S.

Chairman of the Board, American Academy of Neurological and Orthopaedic Surgeons

A) You may take any of the board examinations after you pay the application fee; however if we find your training to be deficient and you do not send us the appropriate training certificates and CV, you may not be allowed to take the exam. Please verify that you are qualified before completing this application since your payment may be forfeited.

B) The American Academy of Neurological and Orthopaedic Surgeons will not be held liable for any actions resulting from the use of our Board Certifications. The American Academy of Neurological and Orthopaedic Surgeons makes no limitations and warranties, neither expressed nor implied. No guarantees are made on the physician's ability to use the board certifications in certain situations. The credentialing body always has the right to final judgement. Your certificate will be issued for your practice in the country from which you are applying. Only US applicants will receive a US certification.
